REMEMBER TAYLOR 1955! At a Quarterback Club meeting in Waco recently plaques were awarded to both Benny Massengale, Cameron Yoeman end and to the Coach Leo Jackson as player and coach of the week in Central Texas.

Shown above is Benny Massengale, with a broad smile, receiving his historic re-

minder that he was "Player of that week", from Dave Campbell, sports editor of the Waco newspapers. Kibitzing with an approving smile, is Coach Jackson who has just received documentary evidence of coaching prowess.

## State Fair Mails Record Money To 1,074 Youths For Poultry, Livestock Auction

Checks totaling \$176,974.51 are in the mail to 1,074 Texas boys and girls who participated in Junior livestock and poultry auction sales during the 1955 State Fair of Texas.

The total was the largest in the history of the junior auctions at the Fair, topping the previous high of \$166,052 in 1952.

The Future Farmers and 4-H Club boys and girls who took part came from 200 Texas counties, the most widespread participation ever in the auction sales, Fair Livestock Manager Ray W. Wilson said.

The number of buyers for the steers, lambs, pigs, turkeys and broilers which were auctioned off totaled 460. They said a substantial premium over the market price to offer encouragement to the boys and girls who had raised their animals and fowl as Future Farmer or 4-H Club projects, Wilson said.

In the junior livestock auction sale, 824 boys and girls sold 409 steers for \$128,147.49, 389 lambs for \$12,563.43 and 635 pigs for \$4,961.22 for a total of \$145,672.14. There were 280 buyers.

The turkey auction sale brought in \$8,266.43 for 723 turkeys sold by 120 youngsters to 160 buyers. In the broiler sale, 1,295 broilers were sold by 130 boys and girls to 20 purchasers for \$3,015.94.

## Tri-County Bars Guests Of Milam Law Firm Thurs.

Judge D. B. Woods of Georgetown will discuss the new probate law at a dinner being sponsored by Camp & Camp Attorneys for all members of the Lee, Milam and Burleson County Bar Associations and County Clerks at the Singers Grill, Thursday Nov. 10 at 7 p.m. in Rockdale.

The meeting of the tri-county bar association is for the purpose of getting acquainted says the hosting attorney E. A. Camp.

On the next night, Nov. 11 the Brazos County Bar Association and the State Bar of Texas are sponsoring a like meeting in Bryan with speakers on the subject including Atwood McDonald, Ft. Worth attorney and former chief justice of the Fort Worth Court of Civil Appeals, W. O. Huie, professor of law at the University of Texas and John L. Sandstedt, president of the Brazos County Bar.

## First Baptist Ordains Three Deacons Sunday

Three deacons ordained on Sunday, Oct. 30 at the First Baptist Church in Cameron were Leo Jackson, Autis Franklin and Harold Riley.

Dr. E. S. Hutcherson, a former pastor of the First Baptist Church here and now assistant to the president of Baylor University, delivered the ordination sermon.

The Rev. Russell led a questioning period of the deacons elect and all was carried over station KML.

A LIFE SIZE OIL PAINTING of Eagle Scout Larry Strimple, son of Mr. and Mrs. Wayne Strimple of Temple, by artist J. W. Anderson of Temple was presented to the Heart O' Texas Council, Boy Scouts of America to be placed at Camp Tahuaya. Received by Scout Executive Harvey L. Price.

Mr. Anderson a long time Scouter of Temple made the painting of Eagle Scout Larry Strimple, who also just recently received his God and Country Award. Troop 150 sponsored by the First Christian Church of Temple of which Larry is a member provided all materials. William Lackey is Scoutmaster of Troop 150.

## Jaycee Christmas Decoration Job Begins With Barbecue Tuesday

With nearly 200 man hours of work required to get up the local Christmas decorations the work of the Junior Chamber of Commerce is cut out for them.

A barbecue and work program was set up for the men Tuesday evening beginning at about 7 p.m. Each man in the Jaycees was requested to find a willing soul who would make a good member or at least a good freewill worker and bring him along to the work party. The initial work program was at the building on West Main at Travis and was formerly occupied by the Whatley Grocery.

The old decorations will be re-worked says Slaughter and put up in the sections away from the center of town while the four corners of the square will get 3 color garlands in red, green and silver. The lights will be spaced 30 inches apart.

## Brownies Elect Officers At Ada Henderson Meet

Officers of Brownie Troop 7 was elected Tuesday at a meeting in Ada Henderson lunch room. The troop elected Donna DuBois president, Jean Biscup vice president, Cyndia Ricka secretary, Kitty Jo Lewis reporter and Judith Ann Hawks treasurer.

The troop leader is Mrs. Conrad Jekel. Assisting is Mrs. Edgar Sell and Mrs. Milton Fuqua. All third grade girls are invited to join the troop. They meet each Tuesday at 3 p.m. in the Ada Henderson lunch room. This report was turned in by Mary Beth Nance.

## Inspection Day Is Not 'Red Tag' Day Says Lion Speaker

Wednesday is definitely NOT Red Tag Day in Cameron said one of the Houston Fieldmen at a talk before the Lions Club at noon on Tuesday at the First Christian Church.

"Inspection detectives," escorted by firemen and local business men tour the towns under inspection and ask merchants if they would like to have their building inspected for fire hazards. If permission is granted then the detectives go to work and look for faults which can be corrected, making the building less hazardous and when found they mark them with a red tag.

"We are not out to see how many red tags can be put out said the speaker, Mr. Massey, but we want to cut down on the cause of fires.

As long as a community is fire prevention conscious we feel that serves a good purpose said the inspector.

The measure of our success, the speaker said, is in the percentage of compliances with the hazards we mark. In many towns the fire marshals reports 30 percent compliance and in three Texas towns 100 per cent.

## Bel-Mi-Rose Scouts To Hold Fellowship Dinner

The annual Bel-Mi-Rose annual fellowship dinner scheduled for November 10 at the Cameron Grove Baptist Church Education Center will have the following program:

Invocation by Rev. C. S. Williams of Temple. Welcome by Rev. C. W. Henderson to Cameron. Introduction of Guests by Dr. T. E. Dixon of Temple. Recognition of units and count of people representing these units by Dr. T. E. Dixon of Temple. Training award by James B. Wilson, Temple. Round Up Awards by C. R. Walker of Cameron, Camping Awards by M. W. Evans of Belton. Attendance Award by Dr. T. E. Dixon of Temple. National Court of Honor Award by Harvey L. Price of Waco. Nomination Committee Report by J. H. Bowser of Rosebud. Principal speaker the Reverend L. F. Hardee, pastor of the First Baptist Church, Waco. Introduced by G. C. Merideth of Temple. Closing prayer by O. E. Wilhite, Rockdale.

Mrs. M. M. Johnson has been sick at her home in Cameron. She has now gone to Corpus Christi to be with her son through the winter.

There will be plenty more sessions like this one and anyone who wants to help out in the future should make himself known to a member of the Jaycees.

## Cub Leader Pow Wow In Waco On Sat. November 12

Final plans for the Heart O' Texas Council's first Cub leaders Pow Wow to be held on Nov. 12, at North Junior High School in Waco are nearly complete, said Herbert Schwetman, chairman of Pow Wow Committee. This Pow Wow will be the first in the history of the council and attendance is expected to run well over 200 a dult Cub leaders from the nine-county area.

Over forty instructors will have a part in the Pow Wow which gets under way at 1:00 p.m. and closes at 8:30 p.m. on the 12th of November.

Each Cub Pack is requested to have a minimum of Four leaders in attendance from the council which will result in a better program for the 3500 registered Cub Scouts of the council, said Mr. Schwetman, chairman of the Pow Wow.

A chicken box supper will be served at 6:30 p.m. and Cub Pack 62, sponsored by the Groesbeck PTA under the leadership of J. R. Chenault, Cubmaster, will conduct a model pack meeting. Chumasters are requested to have all reservations into council office by Nov. 9.

## NOTICE

With deep regret, the publisher of the Daily Midget announces its suspension effective after the paper of November 12 until the end of 1955.

This action has been forced upon us by a number of factors beyond our control. Recent strikes at the newsprint mills of Canada have caused an acute shortage of paper. At the same time, it has become almost impossible to find trained labor for an operation such as the Midget. These factors combined with a lack of sufficient volume of advertising to offset the large cost of production which naturally follows them, have made the load too heavy to bear.

We look for the shortage of newsprint and labor to ease considerably after the first of the year and expect to have the Little Midget back on the street by that time.

In the meantime, we will continue to publish a bigger and better Cameron Herald with complete local news coverage for Milam County residents.

## First Draft On O. J. Expansion Program Outlined At Board Meet

First draft of the O. J. Thomas enlargement program is now off the draft board and the school board got a thorough briefing from Architect, Engineer Preston M. Geren of Ft. Worth at a noon meeting of that body Monday.

The "Equal Facilities" building recommended by a citizens committee which functioned during the summer months is still in the planning stage and the first draft was sent back to the drawing board in Fort Worth for a revision downward in the total overall cost in line with the policy declared by the president of the board Dr. C. G. Swift to get "the most building for the least money."

Another luncheon meeting was scheduled with the Architect for Monday the 14th, when revised plans will be shown and discussed. These plans will be in line with economies proposed by the board members.

There is little more than nine months, to float the necessary bond issue, to build the building, and be ready to move in by the September 1 deadline originally set. This, of course, means that all speed compatible with good reason and judgement must be taken, it was pointed out.

The figure on the construction proposed in the first draft called for a building costing the taxpayers well over \$200,000. The building, with certain revisions will come well under that round figure the board chairman said. New burners and automatic con-

## Cameron Bank Becomes Member Of ETEX C of C

A Cameron Business firm, the Citizens National Bank, is included in a new list of budget subscribers to the East Texas Chamber of Commerce, according to Charles F. Hawn of Athens, president of the regional chamber.

Hawn added that the East Texas Chamber is constantly expanding the service programs for the 72-county region included in the chamber. Extensive projects are now being developed regarding the agricultural and industrial prosperity of the entire area.

## Prisoner Returned From Plainview By Sheriff Black

W. E. Simmonds, 55, is in County Jail after being returned from Plainview being held for Sheriff Black after apprehension at Floydada, near Plainview.

The arrest followed information being picked up on the whereabouts of the man who left the county with a mortgaged Ford automobile, bought from Gaither Motor Co. in Rockdale several months ago worth, according to the Sheriff's estimate, about \$500. Simmonds said that he left the automobile in Hillsboro. He is charged with disposing of mortgaged property.

The Sheriff went overland to return the prisoner to Milam County.

## Milam Farmer, M. J. Sparks Is Declared "Good Steward Of Soil"

Each year the Central Texas Soil Conservation District selects the best conservation farmer in the district to be entered in the State Ft. Worth Press Awards contest. Last year Steve Polzer represented the Cameron area in the District and came in second, then he went on to win other coser-

vation awards in the district. This year the Cameron area is represented by M. J. Sparks, who farms about three miles south of Cameron, just off the Salem road.

The district's first contact with Mr. Sparks came soon after he purchased the farm a few years ago. He worked closely with Soil Conservation Service technicians, making the soils inventory, studying the needs of the land and developing a complete conservation plan for each acre of the farm. This farm had been subjected to very little conservation in the past. The soils inventory showed a need for nearly every conservation practice used in this area. On the cropland the level land needed drainage, the sloping land needed terraces and waterways and it all needed soil conditioning treatment. On the pasture land brush control, grazing management, stock water and pasture seeding were problems to be considered.

Mr. Sparks is not outstanding because of the amounts of each of the conservation practices applied, but because of his approach to the entire job. He first studied the needs of the land, developed a Blueprint for satisfying these needs and as each job fits into the overall plan, he completes it. He is truly a good steward of the soil and we can be sure that when he is through with it every acre will be left for the next generation and it will be better than when Mr. Sparks took over a few years ago.

Mr. and Mrs. M. D. Price of Cameron and Mr. and Mrs. N. M. Elliott of Dallas are grandparents of the newborn.

## Construction To Start On Sam Rayburn Library Building

Nov. 4 at 10 a.m., a group of contractors' bids on a building in Bonham, Texas, will be opened, and shortly thereafter Sam Rayburn's long time dream of a gift to the people of Texas will start becoming a reality.

The gift is the Sam Rayburn Library, into which the Speaker of the U. S. House of Representatives will put the treasure of papers, records, books and mementoes which he has amassed in the near half century he has served the people of Texas and

his country. The Library will be open to students, scholars, and just plain sightseers interested in one of the finest collections of documented U. S. history available anywhere. One of the library's four rooms will be an exact replica of the Speaker's office in the Capitol Building in Washington, D. D. Rayburn has himself purchased the actual furnishings of the office and will move them to Bonham when the building is completed. Work toward realization of the

library started six years ago when Collier's Magazine presented Mr. Rayburn with a \$10,000 achievement award for his efforts in Congress. Rayburn used the money to start the Library Fund with its total goal of \$800,000 about half of which will be used to construct the library, with the rest going toward maintenance. Friends and colleagues of Mr. Rayburn have been making contributions to the Library fund, which now amounts to about \$200,000.

### Don't Re-cover It Yet!

If you're planning to recover your upholstered furniture because it is beginning to look faded and shabby—hold it a bit! Unless it is badly torn or worn, there is a new cleaner called M-O-LENE, which will remove spots, stains and surface dirt and bring back the color you thought had long disappeared.

This remarkable new cleaner wipes away dirt and grime, as well as stains caused by fruit and fruit juices, soft and hard drinks, food, oil and grease and hundreds of other household stains.

Brush or sponge it on carpets, draperies, rugs, tapestries, car interiors, neckties, even clothing. Results: a "professionally clean" look. A single package of the Concentrate, mixed with water, makes 8 gallons of cleaner. It is safe to use on anything that water won't harm. Buy M-O-LENE at drug, hardware, grocery and department stores. It is very inexpensive.

## Postal Employee Annual Affair Howling Success

by James E. "Bo" Patterson  
The "R" in November was the cue for the menu of oysters at Kathy's Cafe on 77 highway Friday Evening Nov. 4. for Mr.

Summerfields swift couriers. Come rain or shine or sleet your postmen get together at least once a year, if not twice, for a rip roaring good time and a good feed.

It was in 1924 when Paul Laake, Joe Matula, E. C. Burke, Albert Collins and Edgar Wilson were among the first postal employees to start the tradition which has not missed to date. These are the

last six "Charter members." Albert Collins, assistant postmaster, opened the dinner with a silent prayer for one who had been present at the meeting since 1925 but missing from the fellowship this year — Mr. Archie McLerran.

Each spring a new debate is started among the postmen and it culminates in the late summer or early fall. This year's debate had

something to do with segregation. Exact details of the debate were declared to be not for publication. The affirmative side won and so their meal was paid for by those of the negative. The negative won the first two "innings" but were completely swamped later, possibly due to overconfidence.

### Safe Walking Is Part of SD Day December First

So you don't drive a car—hardly ever ride in one?

Well, don't let this fact give you any false assurance. You can still end up as a traffic accident fatality!

That warning was passed along by Mr. E. C. McFadden, president Texas Safety Association, Inc., today as he cautioned Texas pedestrians that traveling on foot is no guarantee against involvement in traffic accidents.

Mr. McFadden pointed out that even people who can drive have a tendency to drop the driver's point of view when they step out of their cars and become pedestrians.

"The pedestrian's best safeguard is always to figure that the driver can't see him," he said. "Then he won't expect the driver to watch out for him."

Mr. McFadden advised walkers to observe the following rules to stay safe in traffic: 1. Cross the

streets at corners only.

2. Never walk into the street from between parked cars. 3. Obey traffic signs and signals - cross on GREEN or WALK only. 4. Wait on the sidewalk - not in the street for the GREEN or WALK or for a gap in traffic if the corner has no traffic signal. 5. Cross streets in crosswalks. 6. Look left and then right for traffic while crossing. Watch sharply for turning cars. (Be especially careful at one-way streets to check the direction of approaching traffic). 7. After getting off a bus or streetcar, don't go around it, front or rear. Wait until it leaves before crossing. 8. If you're not feeling well or are in poor health, allow extra time or get help if you must cross the streets. Get glasses if your sight is poor. 9. At night when walking on poorly lighted streets or country roads, wear or carry something white or reflectorized. 10. Walk on left facing traffic where there are no sidewalks.

## Power? You bet!

The fabulous Thunderbird Y-8

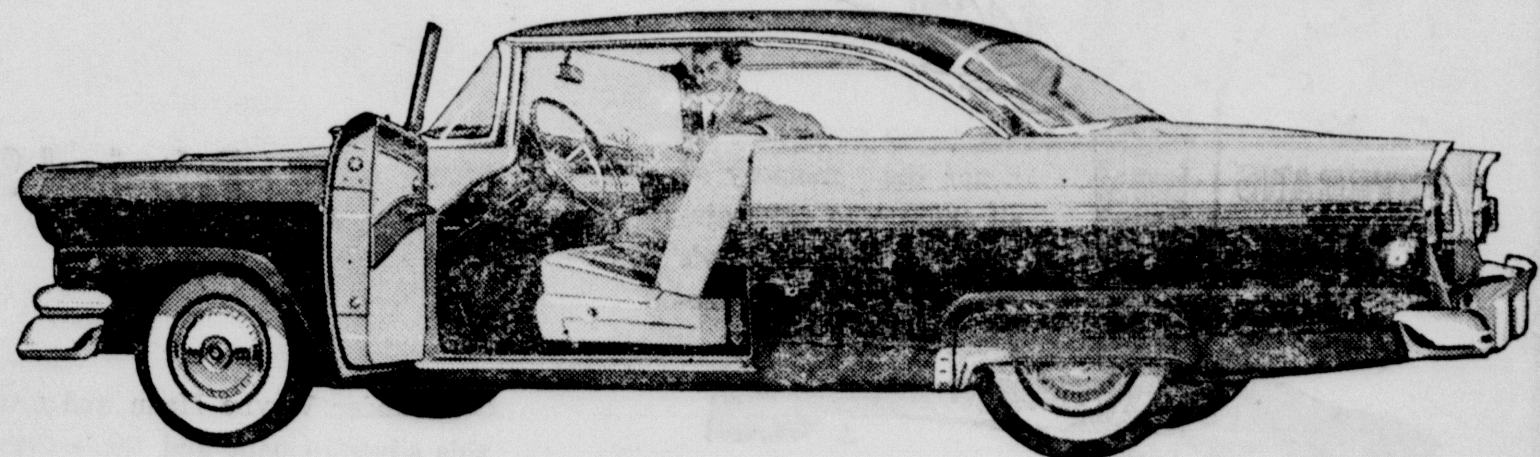

Ford goes like the Thunderbird! With this exciting new "Go"-power you can smile at hills, have new confidence in passing. The Thunderbird Y-8 engine can be yours at no extra cost, for it is the standard eight in all Ford Fairlane and Station Wagon models.

## Beauty? Of course!

Inspired by the Thunderbird

The new '56 Ford and the fabulous Ford Thunderbird are really look-alikes! You can see the resemblance in every long, low line . . . every graceful contour. And you can expect to be envied no matter where you may drive in your new '56 Ford.

## Safety? Only FORD gives you LIFEGUARD DESIGN

Even more important than Ford's Thunderbird looks and go is Ford's new Lifeguard Design. It gives you extra protection in accidents. To cushion you from the steering post, Ford has a deep-center Lifeguard steering wheel. To reduce possibility of doors springing open under impact, Ford has Lifeguard double-grip door latches. To help lessen injuries from impact, Ford offers optional seat belts and Lifeguard cushioning for control panel and sunvisors. A new double-swivel Lifeguard rear view mirror "gives" under impact. Come in! See how safe, how beautiful, how powerful a car in Ford's field can be.

## '56 Pontiac

Introducing a Big and Vital  
General Motors "Automotive First!"

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

IT'S THE GREATEST THRILL IN HIGHWAY HISTORY!

If you've come to think of driving as just routine, it's high time you tried the tremendous "go" of this masterful new monarch of the highway.

Here's a car with such exhilarating drive—eager oil-smooth response and safe, secure handling—that even monotonous home-to-work driving becomes your finest hour!

And out on the open highway, the fabulous '56 Pontiac comes alive with all the eager, heads-up alertness of a thoroughbred.

Its blazing 227-h.p. Strato-Streak V-8, coupled with silken smooth Strato-Flight Hydra-Matic, thrives on challenges. The thrill you see looming up virtually disappears before your eyes.

And at any legal speed, there's such a reserve of power that your engine literally loafs—ready at a toe-touch to spring into the most thrilling, satisfying action that ever shortened a country mile.

Of course, this is only a hint of what's awaiting you. The difference in performance—in driving, smoothness, ride and control—is so terrific that it can only be appreciated at the wheel.

So come in and take charge of one of these glamorous new beauties yourself. Choose your own test route and sample the greatest "go"—and enjoy the greatest safety ever built into a car. Then you'll know why the word's spreading—"They'll be a long time catching up to this one!"

### Buckholts Luther Leaguers Entertain

Buckholts Hope Lutheran, Luther Leaguers sponsored a Halloween party Sunday night for its members and invited guests.

Thirty-six young people met at the church at 7 o'clock for a tractor-trailer hay ride to "Spook House" on the L. H. A. Fuchs farm, where the party took place.

Planning and decoration was under direction of recreation committee members, Ernest Fischer, Bernice Fischer, Shirley Jungmann and Howard Gonten. Juliann James assisted with decorations.

Fall leaves and crepe paper cut-outs of Halloween characters decorated the halls with hanging balloons and Jack 'O Lanterns lending color.

Guests found added excitement when they contacted porch posts and door facing wired for gentle electric treatments.

Lawrence Fox, League president directed out door games including water relays, and some of the old favorites, run-sheep-run, and snatch. Prizes were awarded winning teams in the competitive games.

After games the group enjoyed roasted weenies, hot chocolate and cookies by the camp fire.

Out of town guests came from Cyclone, Rogers, Cameron and Temple.

### December Draft Call Ask for 873 Texas Men

The December draft call for Texas asks for 873 men for the Army and Navy. Lt. Col. Morris S. Schwartz, state director of Selective Service, announced Thursday.

The figure is the state's share of a national call for 18,000 men, 10,000 for the Navy and 8,000 for the Army.

All 137 local boards in Texas will receive a share of the total 873 quota. These local board quotas are now being figured and are scheduled to be mailed from state Selective Service headquarters on or about Nov. 1.

There is no state quota for pre-induction physical-mental examinations in December. Only special cases and transfers from other states will be examined during the month.

The December draft call of 873 compares with a quota of 1,006 for November, previously announced. The state call for October, already filled, asked for 524.

A total of approximately 250 men is scheduled for pre-induction physical-mental examination in November. Decision to schedule these examinations followed the Navy's request for men in November.

Deliveries of men scheduled for

the December call will be made from Dec. 1 through 10.

With the exception of delinquent and volunteers, the December quota will be filled with men who are 21 years of age or older on Dec. 1.

### ASSEMBLY PROGRAM GIVEN

On Thursday, Oct. 20, the student body was taken to the press of the publication staff to see what went into the making of the Yoe Chant. The first part of the program was a satire on the duties of the members of the staff as seen through the eyes of other members of the student body. Of course, this wasn't a typical scene from the paper. The actual scene was shown in the second part of the program, where an attempt was made to give an honest picture of the paper and the jobs of the Chant staff.

Although it's a pleasure to have a part in editing the Yoe Chant there are many big responsibilities which accompany this position. Without planning, organization, and co-operation of each member of the staff, such confusion and disorder as shown in the satire would prevail.

It is the sincere wish of the staff of the Yoe Chant that the Chant meets the high standards of Yoe High, and that in publishing the paper, they do their part toward making the school a more enjoyable place to study.

The members of the publications staff for 1955-56 are as follows:  
Editor, Joyce Nicholson  
Assistant Editor, Joyce Edmond  
Art Editor, Myrna Jackson  
Business Manager, Betsy Vogel-sang

Assistant Business Manager, Willma Baldrige  
Sports Editor, Emory Camp

## Milam T.B. Assn. Places Seals In Mails November 17

The tuberculosis Christmas seal sale will get under way in Milam County on November 17th, when seals will reach all box holders by mail. In each envelope will be three sheets of Christmas TV seals. Each sheet costing \$1.00. Recipients of these seals are urged to take them all, if possible, and return \$3.00 to the county T.B. Association, or to keep as many as possible, and return the un-used seals and money immediately. This year, 82 percent of the money received from the sale of these seals will stay in Milam County to be used in following up on persons having "positive" X-Rays, and for educational and publicity purposes.

Twelve percent of the money will go to the state association who uses this money for organization and education. And six percent will go to the national tuberculosis association for research. T.B. X-Rays are scheduled for sometime in March in Milam County. In 1954, from the 4,879 persons who were x-rayed, eighty-one tubercular cases were discovered, and 45 non-tubercular cases. Ten cases were confirmed as active. It is up to the people of Milam County to give to the Tuberculosis Association through the Christmas Seal sale, and give help to those who will be found tubercular when x-rays are given in March.

### NOTICE TO BIDDERS

Many district cooperators in the Temple area are planting Hubam clover with oats for soil improvement. Lloyd B. Thompson, Delaine Crawford, Averhill Crawford, N. M. McGlougherty, W. W. Callan, Charles Stone and Raymond Kovar are among those who have found this to be a profitable practice. Early grazing is dependent on adequate soil moisture in the fall. The cooperators who have sown their oats and Hubam clover for the most lasting soil conditioning effect, a deep rooted sweet clover has been found to be the most satisfactory by cooperators in the blackland of this district for several years.

Now is the time for waterways to be prepared for sodding next February and March. Among those who have their waterways staked by the Soil Conservation Service at Temple for land preparation are Adolph Sheukir, Mrs. Maud Forrest, Jim Doskocil, Ernest Schiller, Mrs. Ollie Pagasch, A. D. Gorza and Roman Reussler. J. E. Terry, cooperator in the south Killeen community, is constructing three miles of channel type terraces on his home place. These terraces outlet on to a King Ranch Bruestem waterway that

### Are All Cold Remedies Alike?

No! For example, 666 is the wide-activity medicine, which combines 4 of the most effective, widely prescribed drugs known, to relieve all cold, sinus, and allergy symptoms. 666 is cold, sinus, and allergy relief, rapid relief from all kinds of colds. That's why 666 is unsurpassed in effectiveness. Try it.

was seeded last year. He recently completed a terrace system on his other farm nearby. Constructing terraces is only a part of Terry's plan. He is improving his soil by growing Hubam clover. This year Terry had about 50 acres of Hubam. He grazed part of it, the rest he allowed to make maximum growth and seed crop. These practices are a part of a complete soil and water conservation program Terry is applying on his farms to meet the needs of the land.

### SECOND GRADE NEWS

The boys and girls of 2X had lots of fun on Halloween. Most of them went to parties and on "trick or treating."

We also got our school pictures back this week and have enjoyed looking at them and trading pictures with our friends.

Our teacher Mrs. Schofield is sick today and Mrs. Jackson is taking her place.

### TWO-Y NEWS

Halloween is over, but the children in 2Y agree it was one of the nicest they have ever had. Monday night was "Trick-or-Treat" night. Those who went visiting were Ronnie Wilson, Beth Gaines, Lynette Green, Frances Matthews, Nancy Schiller, Paul Edmonds, Margaret Kestenbaum, Karen Fontaine, Betty Johnson, Delmer Glaser, Glenn Hughes, Jeffrey Nelson, and Kathy Patterson. They really enjoyed signing the register at Mr. Oxsheer Smith's house.

Several of us took trips over the weekend. Ronnie Wilson went to San Antonio. Lynette Green and Shirley Koenig enjoyed the parade in Rockdale Saturday. Nancy Schiller visited in Temple and Rosebud. Jeffrey Nelson visited in Br-

yan. The children are collecting different kinds of insects. We are keeping a sharp lookout for all kinds of insects.

### TWO-W NEWS

On Friday, October 29, our room enjoyed a Halloween party.

We were sorry to lose Doris O. Bryan last week. She moved back to Louisiana.

We are happy to have a new pupil in our room. She is Terry Wade from Bryan. She lives at 301 N. Houston. Her father is the Southern Pacific agent.

George Pool's uncle Roy Lee Franklyn of Freeport visited him recently.

Van Shuffield, Ray Baggerly and Curtis Weiss have been absent some, due to illness.

Duglas McFarland's father is in the Temple hospital.

The second grade children all had a wonderful time Halloween.

They enjoyed the visiting and the treats.

Miss Randolph's room and Mrs. Hudson's room decorated the bulletin board this week. They used insects brought by the children, seeds etc. There is a poster about American Education Week and also one about Veterans Day.

Johnnie Elsenburg is back in school after a sick spell.

Our school pictures came on Monday. We think they were all good.

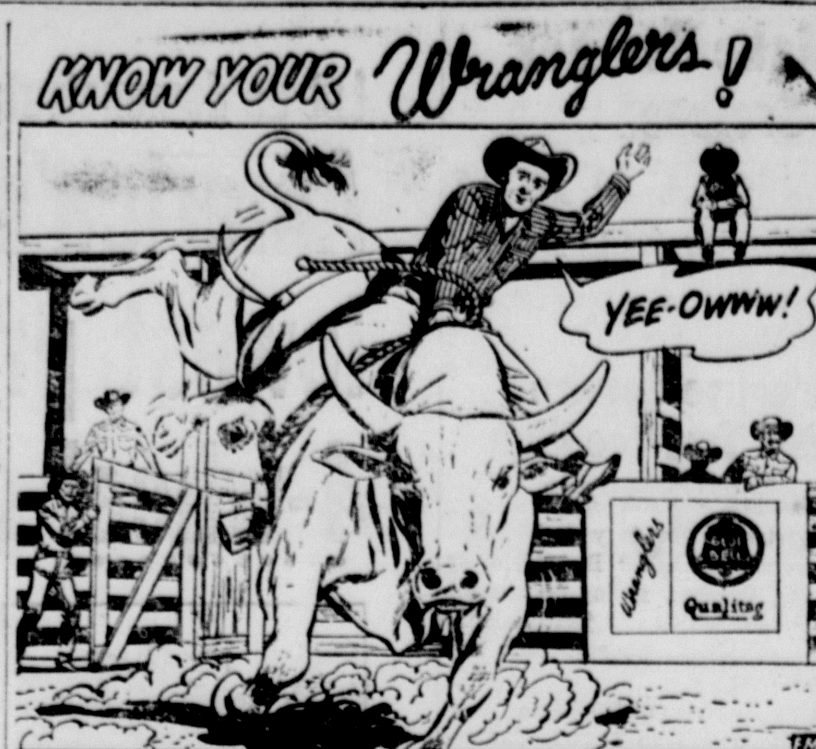

Homer Scott and Stanley Hariston went to the Prison Rodeo in Huntsville. Homer brought back a rabbit's foot. He says he hopes it will bring him good luck.

Valerie Green rode in the Rockdale parade Saturday afternoon.

James Vogelsang tripped to the Tennessee Valley and Belton Dam Sunday. Billy Holloway visited in Lexington.

Mr. and Mrs. Jim Miller and children of Houston were in Cameron during the past weekend visiting friends.

Mr. and Mrs. L. G. Smith and two children of Conroe spent the past weekend with Mrs. Smith's parents, Mr. and Mrs. Charles Brady, Sr.

**BULL RIDING, starring Jim Shoulders, winner of top rodeo honors and former Champion All-Around Cowboy of the World.**

Bull riding is a struggle for supremacy—between a ton of ram-paging dynamite and a man determined to stick no matter what. It's eight seconds by the clock—eight seconds to cling to a whirling demon and show the very best technique that years of training can achieve. Jim Shoulders, whirlwind cowpuncher of Henryetta, Oklahoma blazed a trail of greatness through the rodeo world. Bull riding and bareback riding put Jim on top. He can tell you it's thrilling work and hard work too. Strict rules require that you ride with one hand and a loose rope, and that you can be disqualified by being

### Senator Secest Speaks To Scouts At Annual Meet

Senator Jarrard Secest will be principal speaker at the annual Texas district meeting of Boy Scouts at Simon and George Memorial Hall Tuesday, November 8, at 7:30 p.m.

### Scott & White MD Heads American Cancer Society

Dr. G. V. Brindley of Temple was elected president of the American Cancer Society Nov. 4 by the national board of directors at the final session of the annual American Cancer Society meeting at the Park Sheraton Hotel in New York City.

Simple but impressive ceremonies marked the installation of the first Texan ever elected president of the national society.

Long active in state and national activities for the control of cancer - the nation's number 2 killer - Dr. Brindley is formerly chairman of the executive committee of the Texas Division of the American Cancer Society with headquarters in Austin and still actively serves on that committee.

For the past several years he has served the national organization as a member of its board of directors and as chairman of its medical and scientific committee.

### 1956 Model Chevrolet Is Unveiled At Grabein Motor Co.

Climaxing a sales year that promises to set new all-time records for the automobile industry, Chevrolet introduced the 1956 passenger cars Friday, November 4.

The new models went on display simultaneously at dealer showrooms across the country. Grabein, Cameron Chevrolet dealer pointed to the sweeping advances in durability, safety and power, paced by a new 205 horsepower V8 engine, headline the engineering achievements in the 1956 Chevrolets.

The horsepower boost, giving added zip for passing pulling out of tight spots, runs the gamut of Chevrolet's line of passenger car engines, beginning with a 140-horsepower six featuring an 8 to 1 compression ratio. The engine, available with standard, overdrive or Powerglide transmission, replaces 123 and 136 horsepower sixes in the 1955 line.

The 1956 line offers a choice of three V8s, including a 162-horsepower engine for cars with standard transmission and a 170-horsepower engine designed for the Powerglide transmission.

The 205-horsepower Super Turbo-Fire V8, hiked from 180-horsepower last year, has a new Chevrolet compression ratio high of 9.25 to 1.

The entire line of engines, both V8s and sixes, have redesigned high lift camshafts and hydraulic valve lifters. Full advantage of the optional "power package" introduced last year is extended to all

1956 station wagons through a redesigned fuel tank which permits use of a dual exhaust system on these models for the first time.

Two of the key advances providing increased durability for the V8 engines for a new clutch facing offered as regular equipment and an optional full-flow oil filter.

The new filter system prolongs engine life by providing cleaner oil for the cylinder walls, bearings and other moving parts. This is achieved by channeling all of the engine oil through the filter element.

A vital safety improvement is offered by a new sealed beam headlamp with a redesigned lower beam lens pattern which throws more light along the right hand side of the road. Tests show that the light provides up to 30 feet more "seeing distance". Another feature of the light cuts off "stray" rays to provide improved vision in inclement weather.

Other safety features include crash-tested door locks which reduce the danger of doors springing open in a collision. Introduced on Chevrolet models last summer, the safety locks consist of a flange on the striker mounted on the body pillar. The interlocking feature prevents sideways disengagement.

A new battery carrying a 36-month warranty instead of a 21-month microporous rubber separators in place of wooden separators.

# LITTLE RIVER PHILOSOPHER WANTS JOB TEACHING FARMERS HOW TO LOAF IF GOVERNMENT RENTS THEIR LAND

Editor's note: The Little River Philosopher on his Johnson grass farm on the Little River sounds like he's fighting a windmill this week but you never can tell.

Dear editor:

Naturally I have been following all the political speeches and comments in the papers over what ought to be done about the farm price situation, and while I'm not sure anybody can come up with a complete solution, it's awfully comforting to know somebody is thinking about you.

Naturally also every time somebody makes a suggestion, somebody else has an objection.

Along this line, one of the proposals to cut down on the surplus and raise the price for framers is to have the government rent

some of your land and thus keep it out of production, and I guess it'd work because I don't know many government workers who'd be very much at farming anyway, that'd be an excellent way to cut down on production, but the objection to this is that it would be unfair to a farmer to rent part of his land and throw him out of part of his year's work, even if he got paid for it.

"It might spoil a farmer to let him get in the habit of seeing part of his land lie idle," the argument goes. "The government can't afford to risk getting a farmer out of the habit of working all his land. Idleness is the devil's workshop."

Obviously, this call for an expert, and if there's anything I'm an expert at, it's watching land lie idle.

I will be glad to take on the job of letting other farmers in on how they can survive with their character: intact the dangerous job of letting some of their land go un-worked for a year or so. For a reasonable fee, which in lawyer's language means a pretty hefty price, I will set up a school of instruction in the art of safe, non-habit-forming loafing. I

have pioneered in this newer branch of agriculture and I'm just the man the government's looking for. It has taken me years to reach this point, but I am prepared to face the government's land rental program unafraid and confident I can meet it and survive, if the rental payments are high enough.

In case the government doesn't hire me, though, and still goes ahead with its plans for paying a farmer for not producing on part of his land, I think it would be only fair that they make the payments retroactive. I've got land out here that's been non-productive for years.

Yours faithfully,  
J. A.

## Editor's Mail

The Cameron Daily Midget  
And Cameron Herald  
Cameron, Texas  
Gentlemen:

There is approximately 7 miles of fine Farm to Market road from Cameron to Hanover where it dead ends. There is six miles more of unimproved road from Hanover to Gause.

There is more farm production from Hanover to Gause than on the improved road from Hanover to Cameron.

At one time I had more than 1,000 pounds of watermelons go to waste when I could have sold them at 1 1/2 cents per pound because the wholesale buyer couldn't get them out of my patch because he couldn't negotiate the terrible road from my house in either direction. I live half-way between the end of the improved road and Gause.

Now I want to tell Cameron people what is happening that should interest them. There are about 275 families in the Gause area. They come to Cameron for jury duty, to pay taxes, and to sell their wares but because of the road situation they have to travel nearly 30 miles by way of Milano to get there and so they do their regular buying in Hearne. They know full well that prices are better in Cameron than in Hearne too but they save in time and gasoline by trading in Hearne.

The district engineer in Bryan once considered this missing link between Gause and Hanover must but that was a long time ago.

Commissioners Neal and Markham each share in the responsibilities for this road.

It is a good project for the Cameron Chamber of Commerce to look into in their own interests. This end of the Co. will surely pull with them to get it put through. Let's all pull together.

## Women Of Country Club Pair Off For November 7 Play

Thirty-two members of the women's Golf Association of the Cameron Country Club met at their regular time last Tuesday at the Country Club. Fourteen of these ladies stayed for lunch, and held an informal meeting afterwards to discuss the rules of Golf for the Country Club course. Awards of new golf balls went to Imogene Haraway, low net score — Bernice Lester, Middle net score and Norma Wallace, high net score. A ball was also awarded to Mary Frances Green for the most improved player.

The following flights were paired-off for play on Tuesday, November 7.

### FOURSOMES:

Lucille Monroe, Wis Nolte, Bernice Lester and Imogene Haraway.

### THREESOMES:

Ruth Whitmore, (Rockdale), Evelyn Burke, and Ester Grabbin, (Rockdale), Ann Ruth Denson, Pete Jones (Rockdale), and Ruth Howell (Rockdale) Paula Brown, Norma Wallace, Mary Frances Green, Wilma Woods, (Rockdale), Eleanor Weems, (Rockdale) and Florence Rice, Florene McAtee (Rockdale), Bonnie Scurlock of (Rockdale) and Lucille Howard, Charlene Miller (Rockdale), Noe Smith, and Dorcas Smith.

Ruth Gillam (Rockdale), Mary Parmelee (Rockdale), and Mrs. Ester Manning.

### TWOSOMES:

Annette Abercrombie and Lynn Tucker, Margarite Burke and Claude Bennett.

The ladies also planned a "Scotch" foursome on November 13th at the Country Club, when the mixed foursomes will start play at 1:00 o'clock, followed by a

smorgasbord dinner at 6:30 and dancing.

Entrance fee will be 50c per person, and the smorgasbord dinner will be \$1.50 per person. Prizes will be awarded for winning mixed foursomes.

## ETEX C of C Aids Cities By Reports On Zoning Codes

A state-wide city zoning survey now being conducted by the East Texas Chamber of Commerce should reveal some conclusive facts for the use of East Texas communities, according to Chas. F. Hawn of Athens, president of the regional chamber.

"In keeping with a resolution passed by our industrial development committee," Hawn said, "our Research Department is conducting this extensive survey as a service to East Texas communities in preparing for their future progress."

As a result of the rapid growth of the entire East Texas area, the need for city planning and zoning has become an immediate problem in many areas, according to chamber officials. The East Texas Chamber survey, designed to include towns of 5,000 and over population, will show how many Texas communities are already zoned and what the results of the zoning programs have been.

"From our survey," Hawn said, "we hope to get a complete overall picture of the situation. Then we will be able to supply our local communities with a reliable source of reference in working out their own zoning and planning problems."

Henry M. Siebman of Cameron, manager of the Texas Power and Light Co., is a member of the industrial development committee sponsoring the study.

THRILLS, SPILLS AND CHILLS are just around the corner for circus lovers. Fort Worth's Mosiah Temple Shrine Circus will present its version of the "World's Greatest Indoor Circus," November 18-27. There will be matinee performances on November 19, 20, 24, 25, 26 and 27. Houston P. Hutchens is chairman of the big show which will play its 10-day run under the "Big Steel Top" at Will Rogers Memorial Coliseum. There are acres of free parking. And there will be fun for all among the dazzling acts including, Chet Juszyk and his 11 African lions, Miller's elephants, Theron's Comedy Group, Jack Joyce's Desert Taxis, Liberty Horses, The Three Sidneys, aerial queens, wizards of the wire, capering canines, dare devil flyers, performing pachyderms and laugh provoking clowns.

## W. M. U. RECEIVES DIAMOND JUBILEE AWARD

Pictured above is Mrs. Earl Moseley, immediate past president of Woman's Missionary Union of First Baptist Church, holding the long cherished Diamond Jubilee Award. The presentation was made during the W. M. U. State Convention in Houston and was achieved by the local W. M. U. for being A-1, Full Graded, for three years. In order to earn the award the W. M. U. and all its young people organizations had to reach the Standard of Excellence and maintain the Standard for three years. Only twenty-five W. M. U. organizations in Texas received this honor. Mrs. Earl Moseley and her corps of workers are to be highly commended upon this achievement. Mrs. Moseley has faithfully served as president for five years.

## How About That?

## Future Homemakers Complete A Successful Week Honoring Club

The Future Homemakers of America observed National F.H.A. Week, October 30, through November 5, by daily activities which involved all F.H.A. members.

Mary Ellen Richter, Chairman of F.H.A. week planned the schedule for the week which was as follows:

On Sunday, October, 30 the girls started the week off by attending the church of their choice.

On Monday each homemaking class provided a poster which was put on each floor of Yoe High School and a display was arranged on the bulletin board in the

homemaking department. Also on Monday the eighth grade girls were invited to the homemaking department where the Homemaking I girls of Miss Patsy Skeen first period class presented a program on F.H.A. and homemaking. Refreshments were also served which Mrs. Whatley's first period class were in charge of.

Red roses, the F.H.A. flower, were arranged in vases and placed in each classroom of the high school building, homemaking department and agriculture building on Tuesday. Also on Tuesday refreshments were served to the faculty in the living room of the homemaking department and F. H. A. emblems were pinned on all faculty members who are honorary members. This included Mr. Layfield, Mr. Clements, Mrs. Weise, and Mrs. Hensley.

On Wednesday each F.H.A. member wore a dark skirt and white blouse with a red tie signifying F.H.A. colors which are red and white. Arrangements of flowers were placed in the lunchrooms.

An assembly on Civil Defense was presented on Thursday. Girls who were in the skit were: Anetta Sheldner, Mary Ellen Richter, Colleen Damron, Beverly Rice, Laura Swift and Beatrice De-

hart.

On Friday F.H.A. helped arouse school spirit by placing an exhibit on the first floor of the high school building near the principal's office. Girls in charge of this were Ann Graham and Peggy Hightower.

That night after the game the exes came over to the homemaking department for the annual reception, which the homemaking girls were in charge of. Betsy Vogelsang, senior F.H.A. member was chairman of the reception. See Future Homemakers, page 4

# Crown Co-Owners Battle Scorless

What is so rare as a day in June — or a scoreless tie in a schoolboy football game? With the wide open play used nowadays it just doesn't happen often, but it did last night.

So evenly matched were Cameron and Georgetown that it is quite conceivable that Buddy Thompson, in uniform, could have tipped the scales of fortune toward the Cameron side. His neck is expected to be mended sufficiently for him to return to the Bell County encounter at Belton next weekend.

Hubert Marek, back home again, in the absence of Thompson, on the top eleven was called the "145 lb. scaback" by the Temple writer and credited with spearheading the Cameron attack along with John Duncan.

Wilford Bane lived up to marquee which gave him top billing on the Williamson County troupe. Between he and his brother Jerry the Eagle offensive was very effective except in the pinches when their own penetration "scared the daylight out of the locals". That one penetration might have referred to one of these days as having the equivalence of a touchdown. In the event another touchdown should come up between the two teams as they are at the present time together occupying the throne together for this year. In case they both go on to win the remainder of their games then, it is, shall we say, the UNPOPULAR opinion, in Cameron at least, that Georgetown would represent the district in the play-offs.

The Yoe offensive, despite the absence of Buddy Thompson was very good but they just couldn't overcome the airtight defensive play of the Georgetown aggregation.

Belton will have to learn to dig tunnels to get under the Yoe line. This is the only thing that hasn't been tried. Every thing else has

failed. With Hoelscher, Dohnalik, Polzer, Wallace and Bayar, Massengale and Green and of course the stalwart pivotman Collins in their way Belton will undoubtedly have to go to the air if they are to get anywhere.

The homecoming crowd estimated at a full house of better than four thousand saw a game that will go down in history of the battle of the co-champions.

Prior to game time Superintendent W. T. Hanes pinned a corsage on the homecoming queen, chosen following the parade Friday morning in which the classes had their candidates board well decorated floats. The senior creation bearing Miss Pat Moraw was the victory float. "Rocket Victory Flight" was inscribed on the side of the float and a simulated rocket pointed toward the heavens carried out the theme. She was presented to the Superintendent by teammates Angell and Collins.

Other queen candidates Friday morning were Gloria Harber on the Junior float bearing the inscription "All the Way Yoemen."

Beverly Daskocil graced the Freshman float and had a caged Eagle at her side.

The Sophomores had a large truck with a turf laid out like a football field and the target behind the goal posts and indicated that the Yoemen had already pinned Taylor and Rockdale to the target with their trusty bows. Miss Caroline Cummings was their candidate.

## KNOW YOUR YOEMEN

Ray Green

Meet another fine Yoeman, Ray Green is a fine sophomore prospect up from the B team and is fitting nicely into the role of RE on the A squad. Earlier in the season, Ray also played some in the backfield to help strengthen the fullback position when a couple of regulars were nursing sprained ankles. Ray weighs 160 pounds and wears number 83. You will be hearing and seeing a lot more of Ray.

ek at lt for 17 to Georgetown 39. Shows tremendous speed Angell at rt, beautiful hole for 6. Duncan at lt for 5 thru another beautiful hole. Marek shakes off couple of tacklers and moves for 5. From Georgetown 23 Duncan at lt fumble out of bounds and gains 1. Snowden pops on Marek fumble at Georgetown 21.

Jerry Bane for 2 at rt. Will Bane at rt for 4. as the third quarter ends.

## FINAL STANZA

Wil Bane for 4. Denham at center for 5. Nice defensive play by Dillon stops Wil Bane for no gain. Wil Bane at lt for 5. Denham gets nice hole at rg for 5 yd. gain. From Georgetown 48 Wil Bane at center for 2. Wil Bane at re almost breaks loose and goes for 13 to Cameron 37. Denham at center for 5. Denham at rg for 1. Wil Bane at lt for 2.

Alvin Baggerly

Alvin Baggerly is a senior boy and playing his first year on the A squad. Alvin wears jersey number 35, and is helping to hold down LE position for the Yoemen. Although he is light, weighing only 145 pounds, he is fieri and tough.

Wil Bane at lt for 2. From Cameron 28 Wil Bane at re for 3. Wil Bane at lt for 5. Wil Bane stopped in nice defensive play by Green for 2 yard loss. Wil Bane at lt stopped by Massengale and ball goes over on Cameron 23.

Duncan at rt for 3. Angell at rt for no gain. Duncan at rt for 4. Williams kicks to Denham at 40 who returns to 45 but Georgetown draws 15 yard penalty for roughing kicker. Moves ball to Cameron 40. (With 3:55 minutes remaining the crowd becomes pretty hysterical) Williams snowed under for 2 yd. loss in beautiful tackled by Lundquist. Angell for 4. Elliott, rushed badly passes short to Massengale. Solomon kicks out of bounds to Georgetown 33.

Two minutes and 40 seconds remaining. Denham for 2 at rg. Wil Bane at lt for 6. Will Bane at lt for 4. Denham for 3 at rt. Wil Bane for 2 at lt. as the game ends while Georgetown is in huddle.

Miseries both physical and men-

tal plagued the Yoe eleven last week.

Jimmy Markham sprained an ankle in practice Thursday and Buddy Thompson is ill with a gland infection thus keeping both out of the homecoming tilt.

All of this naturally gave the coaches a case of mental anguish, for both the welfare of the affected boys and for the fortunes of the team on the field of play.

Whistling in the dark coach Leo Jackson says "We are in good shape otherwise." Confidence in the ability of Hubert Marek, who is being brought up from the B team to fill in the Fullback slot did seem to alleviate the anxiety of the coach.

Predicting a win for his Yoemen in spite of the injury list by coach Jackson indicates his supreme confidence in the ability of his proteges to "Rise to the occasion" and to fight harder for the sake of their injured and ailing teammates.

Last year the match ended with Cameron winning over Georgetown but tying the district with them in the end. The Williams County coach is Bernard Birkelback and he has been with the Georgetown school for about six years. Wilford Bane is the student on his squad and the gentlemen for whom the Yoemen are pointing tonight.

Starting for the Yoemen are: Le, Gene Hubnik; Lt, Clyde Wallace; Lg, Laddie Dohnalik; Center, Tom Collins; Rg, Paul Hochscher; Rt, Monroe Bayer; Re, Benny Massengale. At Quarterback Bobby Elliott; Lh, Clifford Angell; Rh, Bobby Williams and at Fullback Hubert Marek (the little boy with the big job tonight weight 145) Ray Green will play defensive end, Butch Polzer line backer with John Duncan and Burk Barr at halfback on defense. Guy Dillon a sophomore halfback will do a lot of playing says the coach. Johnny Solomon will

swap out with Bayer at tackle.

In thumbing through the history of Yoe and trying to guess the stellar players of yesteryear we came up with a few outstanding examples, undoubtedly missing some but just for a glance for auld lang syne lets look at the following former Yoemen.

Michalka boys, Hollas boys, O Neil boys, Burke boys, Beal boy Grady Allen Jr., Olin Armstrong Glenn Rosenberg, Eddie Langford Batte Boys, Gordon Gibson, Jimmy Rettig, Absneider boys, Mondrik boys, Matula boys, Charles Riola, John Moseley, Hawk brothers and Joe Hawkins, the Holloway boys, Charles Duncan (declared to be one of the greatest guards in the history of Yoe), Bobby Hayes, Frank Torno, Braden boys, Wilkinson boys and the Zolt boys and a whole host of others.

Asked his prescription for the team to win, coach Leo Jackson recalled a little story that expressed his thoughts in the matter. Said Jackson "We have to maintain the ball" That means, he said, that they can't score if we keep the ball or STAY ON THE BALL. The story goes like this:

A golfer was trying to chip out of a trap and his ball lay atop an ant hill. Each time he chipped at the ball he killed some ants until finally one ant remarked to another "If we are to survive we are going to have to STAY ON THE BALL."
